PETITION

Dear Sir:

The assignee, Delphi Technologies, Inc., hereby petitions the Commissioner with a request to file the subject application without the signatures of all of the inventors.

In the application, there are three inventors, namely Hugues Cremer, Michel Sanchez and Manfred Schastok. Mr. Cremer and Mr. Sanchez have signed the Declaration, which is filed herewith. Mr. Schastok is no longer employed by the assignee. A complete copy of the application, drawings and signature papers were sent to the last known address of Mr. Schastok and have since been returned to us as undeliverable. As such, Delphi Technologies, Inc. has no choice but to petition to proceed without the signature of Mr. Schastok.

Attached is the signed Declaration of Mr. Cremer and Mr. Sanchez.

Also attached is a copy of the letter dated April 28, 2004 from DHL stating that the documents were undeliverable to Mr. Schastok.

It is respectfully requested, therefore, that the Commissioner grant the present Petition to file the subject application in the name of Delphi Technologies, Inc. on behalf of the inventor, Mr. Schastok.
